Coordinating Humanitarian Shelter

Shelter/NFI Cluster Snapshot

South Sudan | March 2018

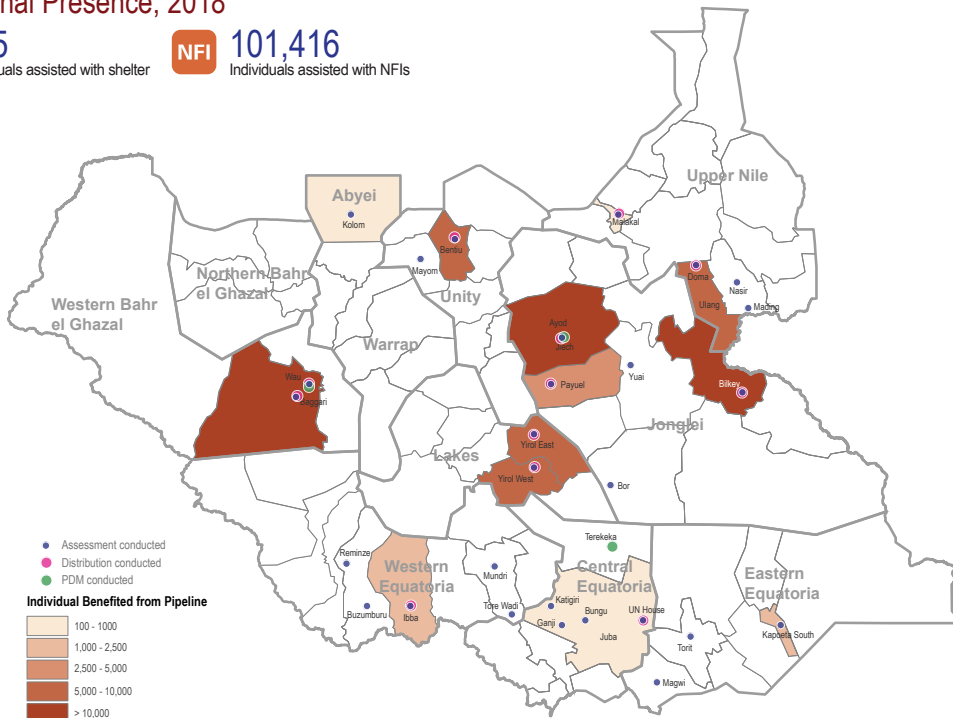

Overview

So far, during the first months of 2018, the cluster partners have reached 102,251 individuals with Shelter and NFI assistance, representing 9% of the Humanitarian Response Plan (HRP) target. During the month of March, the responses focused mainly in Jonglei, Upper Nile State and Western Bahr el Ghazal States. In Jonglei, partners have responded in several locations in Akobo County. Also, in Upper Nile State partners have scaled up operations in the eastern counties of Ulang and Nasir. In Western Bahr el Gazal, the cluster partner working in the Protection of Civilian (POC) has completed the rehabilitation and upgrade of communal shelters in Wau PoC AA.
